

### **H4HP Connector Caseload Recommendations**

As part of the Coordinated Entry process, Covered Homeless Organizations will dedicate staff to serve as H4HP Connectors. The Housing for Health Partnership requires that full-time connectors maintain a caseload of no more than 20 participants. The following ratios are expected based on hours designated for connector services.

<b>Dedicated Connector hours</b>	<b>Expected Caseload size</b>
8 hours per week	3-5 participants
16 hours per week	6-8 participants
24 hours per week	9-11 participants
32 hours per week	12-16 participants
40 hours per week	15- 20 participants
